Demarest advises ZAMP on a share capital increase

Demarest advised ZAMP on an increase in the company's share capital in the amount of at least R\$268,920,003.60, through the issuance, for private subscription, of 78,631,580 common, registered, book-entry shares with no par value and, at most, R\$450,000,002.16.

The transaction took place through the issuance, for private subscription, of up to 131,578,948 common, registered, book-entry shares with no par value, which granted the same rights attributed to the other common shares issued by the company, for the issue price per share of R\$3.42

Demarest relied on partners Luiz Felipe Eustaquio (pictured left), Paula Magalhães (pictured right); associates Victor Porfirio, Vitor Melillo
