Demarest advise on the indirect acquisition of a stake in Halex

Demarest advised three private investors on the indirect acquisition of a relevant minority stake in Halex Istar Indústria Farmacêutica, through the acquisition of the entire share capital of MAP Participações.

Halex Istar Indústria Farmacêutica is one of the leading companies in the national market in small and large volume medicines and parenteral solutions with a strong presence in all regions of Brazil.

The transaction value was confidential.

Demarest Advogados relied on partner Carol Audi (pictured); associate Joao Pedro Saccomano Zoccoli.
