Demarest advises CS Infra on international public tender

Demarest advised CS Infra on the International Public Tender No. 56/2024, launched by the Government of the State of Mato Grosso through the State Department of Infrastructure and Logistics (SINFRA), for the concession of Lot 5 of the state highway system.

The bidding process aims to grant a 30-year concession for the operation, maintenance, conservation, and investment in the necessary infrastructure for the operation of sections of highways MT-020 and MT-326, covering a total length of 308.379 kilometers.

Demarest relied on partners Bruno Aurelio (pictured left), Renan Sona (pictured right); associates Guilherme Camargo Giacomini, Luisa Domet.
